

Domaine Lucien Arkas

La Passito

Background : Everything starts with a dream. This is Aegean **Turkey**, the homeland of Mythology and Dionysus...

...the birthplace of Domaine Lucien Arkas which inherited the fertility, diversity and extraordinary nature of the Aegean Region . Our wines owe their dignity and vision to their owner : **Lucien Arkas**.

His vision of the wine is decidedly qualitative. He realized the dream of producing the best wines of Turkey.

Domaine Lucien Arkas- manages the first **organic** vineyard certified by **Ecocert** in Turkey. An exceptional terroir spread over 200 hectares and blessed by the gentle Aegean climate. Priority is given to manual harvesting at night in order to maintain the quality of the grapes. A perfect balance between tradition and modernism allows the wines to age in French and American oak barrels or stainless steel tanks.

Grape Varietal : An estate-bottled **Organic Muscat** hand harvested at night to ensure the fruity aroma of the grapes. **Passito** is a winemaking method in which the grapes are dried before fermentation. First, the grapes are dried in bunches. As they dry the flavor and sugar levels increase. Till they reach the optimum sugar-acid balance.
